CLERK, U.S. DISTRICT COURT  
MINNEAPOLIS, MINNESOTA**Dakota County rescinding recommendation.**

Good morning Mr. Ybarra,

It was brought to my attention that in an assessment dictation for a Child Protection Investigation completed by Dakota County Social Services on July 2, 2024, there was a recommendation stating, "Steve not having any unsupervised contact with the children due to several concerns." After review Dakota County Social Services determined this recommendation was outside of the scope of the child protection investigation. Dakota County Social Services is rescinding this recommendation. Dakota County Social Services does not have any recommendations regarding custody or parenting time regarding the family court matter between you and Ms. Ybarra, court file # 19AV-FA-24-839.

Respectfully,

Aaron Strong  
Family Investigation Supervisor

**RE: Update**

Hello Mr. Ybarra,

There was not sufficient evidence to determine that Tahtina suppressed information regarding abuse of the children or made-up allegations about you. However, we did determine that recommendations regarding visitation with your children will be rescinded from our records. There was no child protection basis for that recommendation. Dakota County Social Services has no recommendations regarding your family court matter including custody or visitation. I will be creating and sending letters to you, Ms. Ybarra, and the GAL stating this.

I apologize on behalf of Dakota County Social Services for the mental pain and anguish this has caused you.

Sincerely,

Aaron Strong  
Family Investigation Supervisor
